1 About us

Established in 2005 with a focus on industrial automation, NOVAS has grown over nearly two decades to expand its operations into four core areas: Automation & Digital Transformation Services, Energy Management Solutions, Water & Wastewater Automation Solutions, and M&E Services for industrial facilities.

In addition to domestic projects, we are proud to have successfully executed several international projects in countries such as Japan, the Philippines, and Indonesia.

Leveraging our innovative solutions and extensive expertise, we are keen to partner with you for your upcoming projects.

Our Team

PHAM THANH HOA
CEO

NGUYEN NAM HAI
Business Director

LE VAN XUAN
Technical Director

Our team is driven by the goal of achieving client satisfaction through dedication, passion, and excellent execution of our work.

PHAM THANH HOA - CEO

Experience and partners

Experience

20 years of experience in the field of electricity, automation and SCADA system for industrial plants.

implemented more than **100** projects and services domestically and internationally.

System integrator partners

15+ Year

15+ Year

Gold Certified

Our clients

100+

Automation & Digital Transformation

Client	Project	Year
	Nelson Environmental Remediation USA Bien Hoa Airport Dioxin Soil Treatment Plant Project Design - supply - install electrical system, control system and Ignition web SCADA system for entire plan	2025
	Da Nang Rubbers Joint Stock Company Supply the control panel for the shaping machine	2025 - 2024
	Upgrade the SCADA system for the extrusion line	2023
	Software upgrade for the durability tester machine	2021
	Control system upgrade for static balancer	2020
	Universal Alloy Corporation Viet Nam Supply and installation of a control system for the Passivation Line	2024
	Supply and installation control system for the Anodizing Line	2023
	Commissioning of DI, RO, and WWTP systems	2020
	Binh Son Refinery JSC Migration Service: Rockwell Automation ControlLogix 1756-L61 to L71 for the boiler system	2023
	Upgrade Rockwell Automation PLC control system: PLC L61 Rockwell Automation (Single to redundancy system) Ethernet network	2014
	TerraTherm Asia Design, supply, and install electrical, control panel, SCADA & PLC system for Soil remediation project in Kuwana (Japan)	2022

Client	Project	Year
	Bosch Powertrain Solutions Factory - Dong Nai Upgrade the Thickener control system	2022
	Upgrade the Chemical dosing control system	2021
	SCADA system upgrade for RO/DI and wastewater recycling systems	2020
	Upgrade the Air blower control system	2020
	Suntory Pepsico Viet Nam - Quang Nam Branch Supply pump monitoring SCADA system	2022
	Provide the power supply system for EV charger station	2021
	Design, programming & install operational safety system	2021
	Provide the power supply for UPS systems	2019
	PLC & HMI upgrade	2017
	Provide Power Supply Monitoring System	2015
	Prime Group JSC Design, programming & install 8 automatic tile feeding systems	2023
	Design, programming & install dosing feeder machines	2019
	Design and install Factory temperature monitoring	2015
	BESRA Group Design, supply, install, and T&C Electrical & control system (EPC) for Phuoc Son Gold Plant	2008-2009

Energy Management Solution

Client	Project	Year
	<p>Murata Manufacturing Vietnam Co., Ltd. Supply and installation of EMS for E-Building</p> <p>Phase 1:</p> <ul style="list-style-type: none"> Integration of 55 power meters Supply and configuration of EMS server Programming and configuration of Power Monitoring Expert software <p>Phase 2:</p> <ul style="list-style-type: none"> Installation and integration of 65 additional power meters in the production area and compressed air flow meters 	2024 - 2025
	<p>Da Nang Rubber JSC Supply and installation of EMS system</p> <ul style="list-style-type: none"> Installation and connection of 30 power meters. Supply and installation of EMS server and 11 energy monitoring gateways Programming and configuration of PME software 	2024
	<p>Fujikura Automotive - Da Nang Supply and installation of EMS system</p> <ul style="list-style-type: none"> Supply and installation of centralized energy monitoring cabinet with 25 power meters Supply and set up of EMS server Programming and configuration of PME software 	2023
	<p>Fujikura Automotive - Quang Ngai Supply and installation of EMS system</p> <ul style="list-style-type: none"> Supply and installation of centralized energy monitoring cabinet with 15 power meters Supply and set up of EMS server Programming and configuration of PME software 	2023

Khách hàng	Dự án	Năm
	<p>Hoa Tho Textile & Garment JSC Harmonic filtering system for transformer station</p> <p>Supply and installation of 2x AccuSine PCS Plus 200A and 2x AccuSine PCS Plus 300A harmonic filters</p>	2023
	<p>Supply and installation of EMS system</p> <ul style="list-style-type: none"> Connection of 20 power meters Programming and configuration of Power Monitoring Expert software. 	2023
	<p>Premo Vietnam Co., Ltd. Supply and installation of EMS system</p> <ul style="list-style-type: none"> Connection of 61 meters at Factory 1 and 37 meters at Factory 2 Design and development of EMS software by Novas 	2023
	<p>FGL Group - Quang Nam Supply and installation of EMS system</p> <ul style="list-style-type: none"> Connection of 21 power meters. Design and development of EMS software by Novas. 	2023
	<p>FGL Group - Bien Hoa Supply and installation of EMS system</p> <ul style="list-style-type: none"> Connection of 17 power meters Design and development of EMS software by Novas 	2023
	<p>Da Nang Water Supply JSC Harmonic filtering system for clean water pump station</p> <ul style="list-style-type: none"> Installation of 3 harmonic filters for 400kW motors and 2 harmonic filters for 160kW motors 	2018

Water Treatment Automation Solutions

Client	Project	Capacity	Year
	Xuan Mai Water Plant Project Full design, supply, and installation of electrical and centralized SCADA system.	150,000 m3/day	2025
	Buaran Water Plant Project, Indonesia Design, supply, and installation of control panels and SCADA programming.	260,000 m3/day	2024
	Aglipay Sewage Water Treatment Plant Project, Philippines SCADA programming, testing, and commissioning.	60,000 m3/day	2024
	Bien Hoa Water Plant Upgrade Project, Dong Nai Design, supply, installation, and web-based SCADA programming.	48,000 m3/day	2023
	Design and build the operation control center for the Water Supply System Phase 1: Design, supply, installation, and programming. <ul style="list-style-type: none"> Centralized control of Van Nien and Quang Te plants, 3 booster stations. Water network management software with 250 flow/pressure monitoring points and 10 water quality monitoring points. 	200,000 m3/day	2023
	Calawis Water Plant Project, Manila Water Testing and commissioning services for the control system.	80,000 m3/day	2022
	Hoa Lien Water Plant Project, Da Nang Design, supply, installation, and SCADA programming.	120,000 m3/day	2021
	Centralized SCADA Control Center Project - Da Nang <ul style="list-style-type: none"> Centralized control of Cau Do, San Bay, and Hoa Trung plants, 3 chlorine processing units, 9 booster stations. Water network management software with 270 monitoring points. 	390,000 m3/day	2020

Client	Project	Capacity	Year
	Ha Giang Wastewater Treatment Plant Project. Programming, testing and commissioning entire factory	5,000 m3/day	2019
	Song Duong Water Plant Project - Phase 1B, Hanoi Full design, supply, and installation of electrical and centralized SCADA system	150,000 m3/day	2019
	Bosch Recycled Wastewater Treatment Plant, Long Thanh Supply and installation of electrical and process equipment; SCADA programming.		2019
	Song Duong Water Plant Project - Phase 1A, Hanoi Installation, testing, and commissioning of electrical and SCADA systems.	150,000 m3/day	2018
	Cau Do Water Plant Upgrade, Da Nang <ul style="list-style-type: none"> Upgrade of electrical and SCADA systems Internet-based monitoring software 	120,000 m3/day	2018
	AQUAONE Water Supply Plant, Hau Giang Full design, supply, installation, and SCADA programming	100,000 m3/day	2017
	Ban Me Thuot Wastewater Treatment Plant, Dak Lak Full design, supply, installation, and SCADA programming	14,000 m3/day	2017
	Lam Son Water Supply Plant, Thanh Hoa Full design, supply, installation, and SCADA programming	8,500 m3/day	2016
	Airport Water Plant Upgrade Project <ul style="list-style-type: none"> Upgrade of electrical and SCADA systems Centralized monitoring software 	30,000 m3/day	2016

M&E Services

Client	Project	Factory Area	Year
Bekaert	Bekaert Vietnam Installation of 10 KT production equipment <ul style="list-style-type: none"> Supply and installation of 15KT electrical system Supply and installation of 5KT electrical system 		2025 2023
Millennium Furniture Co., Ltd	Supply and installation of power supply system and 1600KVA frequency converter.		2024
CCIPY	CCIPY Viet Nam plant M&E Installation for Finished Goods & Chemical Warehouse <ul style="list-style-type: none"> Power supply system HVAC, lighting, IT, PA, water & foam fire protection systems, smoke protection 	1000m2	2023
CCIPY	CCIPY Viet Nam plant Installation of HVAC & Cleanroom System <ul style="list-style-type: none"> Cleanroom dust filtration system. HVAC system for cleanroom. Power & control cabinets. Cleanroom partition system. 	205m2	2022
CCIPY	CCIPY Viet Nam plant Project <ul style="list-style-type: none"> Design, supply, and installation of complete MEPF systems for the entire factory. 	6400m2	2021

Client	Project	Factory Area	Year
PREMO	Premo Plant 2 – Dien Ban, Quang Nam <ul style="list-style-type: none"> Design, supply, and installation of complete MEPF systems for the entire factory. 	3000m2	2021
PREMO	Premo Plant 1 – Dien Ban, Quang Nam <ul style="list-style-type: none"> Design, supply, and installation of complete MEPF systems for the entire factory. 	3000m2	2015
relats	Relats Plant – Quang Nam <ul style="list-style-type: none"> Design, supply, and installation of complete MEPF systems for the entire factory. 	4000m2	2016
HYDRA capacitors since 1899	Hydra Plant – Quang Nam <ul style="list-style-type: none"> Design, supply, and installation of complete MEPF systems for the entire factory. 	5000m2	2015
VEOLIA	Dioxin Treatment Project – Da Nang Airport <ul style="list-style-type: none"> Supply and installation of mechanical & electrical (ME) systems. 		2014
